**BEAVER CREEK TOWNSHIP SPECIAL MEETING MAY 16, 2012**

The Beaver Creek Township Board held a special meeting on May 16, 2012, at 6:30 PM. All board members were present.

The purpose of the meeting was to work on the budget for the next fiscal year and look at maintenance truck bids.

1. Discussion regarding maintenance truck. Roscommon Recyclers will only offer \$1,000 for the truck and charge to remove the frame for the snow plow. Great Lakes Recycling will pay \$1,501.00 for the truck and snowplow. Motion by Balmes and seconded by Ashton to sell the truck and plow to Great Lakes Recycling for \$1,501.00. All ayes, motion carried.
2. Ashton and Summers will look at a pickup that could be used for a maintenance truck at Nesters tomorrow. It is a 1999 Dodge Ram with 92,000 miles, priced at \$3,988.
3. Discussion regarding transfer site. Still waiting for numbers on having the road entrance area paved and approach when S. Grayling Road is being repaved. We could use "Metro Fund Money" at the entrance as that is in the road right-of-way. Approach money will come from the transfer site special assessment funds. Also, change wages under DPW to transfer site for the current year.

Balmes suggested that we put up the signs on the road previously discussed and name the road.

4. Discussion regarding having the roof of the community center resingled. Suggested that supervisor contact Ingleson, Steve Nelson, Billy Weaver for prices and that we proceed to do it this year.

5. Discussion regarding the budget for the next fiscal year.
  - a. No changes to the 206 as presented.
  - b. 101-528-801-000 add \$607 to snowplowing from unallocated
  - c. 101-445-955-000 Metro fund, change to \$3,700 to match revenue side. Also Metro money should be used for snowplowing, the road part only, not within the fenced area. Have snowplower break out.
  - d. 101-528-930-000 Transfer Site Equip Maint/Repair has \$3,374.00 in it and is "Designated Funds". Leave \$2,500 for next year and can be treated same. A paved apron to the approach could be paid for from this.
  - e. \$5,000 will be transferred to the Park Fund for roofing and possible tennis or basketball court repairs.
  - f. Unallocated will have 0 balance.
  - g. Take "New" from Transfer Site line.
  - h. Fund balance approximately \$146,000 or 35%.

6. Discussion regarding whether we should have a "Picnic" this year. It will be on the June agenda and the board needs to decide at that time. Several feel it is a waste of money with not many residents attending since we no longer give away prizes. The amount of volunteers that helped in the past has gone away. No longer any contributions to pay for it. Too many events in the summer and every weekend is busy.

Meeting adjourned at 7:45 pm.
