SUPERVISOR'S REPORT:

The township has a new/used maintenance vehicle, and the old truck has been sold. The supervisor has tagged 4 properties for the zoning administrator. Township cleanup day is June 23rd and we could use additional help. Lee Riley is helping with the tire cleanup to be held this year.

H.L.U.A.:

Question as to whether AT&T will still be building their tower on the HLUA property. The contract with MMC was renewed and a list of equipment with cost/lifetime etc. has been prepared to know how much money must be kept each year for future replacement.

We appointed Dean English for a one year term in April, and it should have been a two year term. Motion by Hartman and seconded by Balmes to appoint Dean English for a two year term to the H.L.U.A. board. All ayes, motion carried.

Motion by Hartman and seconded by Balmes to appoint Ron Wood to the H.L.U.A. board for a two year term, 7/1/2012 to 7/1/2014. All ayes, motion carried.

FIRE DEPARTMENT:

The fire department is continuing their training program and will have a Firefighter I and II class in the fall. They are removing their diesel fuel tank and will be getting fuel from Charlie's Country Corners in the future.

Motion by Balmes and seconded by Little for the township to apply for a Marathon Credit Card, to be held in the station, so that the township will have its own fuel bill. Roll call vote with all ayes, motion carried.

DPW:

Hydrant testing will be performed the first part of the summer with one tank to be pumped dry in July.

The Firewise Program should have grant money available and there may be an opportunity for another hydrant. Current hydrants will be cleaned and painted this year.

Thank you to the fire chief for all his work on the Reverse 911 Program.

OLD BUSINESS:

1. Motion by Little and seconded by Balmes to accept the Proposed Budget for 2012-2013 fiscal year as presented. All ayes, motion carried.
2. Discussion regarding paving of the transfer site approach and/or road. Estimates will possibly come in between \$29,500 and \$34,500. This would add approximately \$3.50 to the special assessment, depending on the financing and use of metro funds that we have. Motion by Little and seconded by Balmes to go ahead and get bids to pave the transfer site road and to figure out the financing. Roll call vote with all ayes, motion carried.
3. Discussion Healthcare Ordinance. Needs more investigation and put on next months agenda.
4. Discussion regarding repair to the tennis and basketball courts. With work that is to be done, there is no guarantee on cracks. Summers and Ashton will get more information. Put on next months agenda.
5. Discussion regarding community center estimates for roofing and use of a metal roof system over existing shingles. How many squares were included in estimates? Put on next months agenda.
6. It is the consensus of the board to not hold an annual picnic this year. Donations have dried up, attendance is down, volunteers down and it was suggested that we look at it again next year in the spring.

7. **RESOLUTION AMENDING 2011-2012 BUDGET**-Motion by Little and seconded by Hartman to amend the 2011-2012 budget as presented. Roll call vote with all ayes, motion carried.

WHEREAS, a budget was adopted by the Board to govern the expenditures of anticipated receipts within the township for the 2011-2012 fiscal year,

WHEREAS, as a result of unanticipated changes in revenues and need expenditures, it is necessary to modify the aforesaid budget as follows,

NOW THEREFORE, BE IT RESOLVED THAT THE AFORESAID budget be modified as follows:

NEW BUSINESS:

1. Motion by Balmes and seconded by Little to pass a Resolution: In opposition of Michigan Natural Resources Trust Fund (MNRTF) dollars being diverted to fund state projects. Roll call vote with all ayes, motion carried. This resolution was received from NEMCOG.

WHEREAS, the Michigan Natural Resources Trust fund created the Michigan Land Trust Fund program to provide a source of funding for the public acquisition of lands for resource protection and public recreation, and

WHEREAS, the funding was derived from royalties on the sale and lease of state-owned mineral rights, and

WHEREAS, Michigan residents and communities benefit greatly from the grant awards given by the MNRTF, and

WHEREAS, the granting of these funds should not be earmarked for political agendas, and

WHEREAS, such action would erode the integrity of the Land Trust Fund;

THEREFORE BE IT RESOLVED that the Beaver Creek Township Board opposes any action that would divert Land Trust Fund dollars to anything other than the sole purpose of land acquisition, preservation of critical areas and the establishment and development of public recreation sites to enhance the lives of all Michigan residents and visitors.

2. Summers made a statement regarding use of the maintenance truck and suggested coordinating use of it ahead of time.

3. The supervisor suggested that there is nothing in our community center rental agreement regarding use of fireworks in the park, and suggests that this be added to the rental agreement, for both inside and outside use. Consensus of board to prohibit use of fire works on township property and put it in the community center rental agreements.

4. Motion by Balmes and seconded by Little to donate \$200 to the tire cleanup. All ayes, motion carried.

5. Discussion and information regarding the recycling budget from Grayling Township. It has been suggested that all townships pay for their own recycling container and accept responsibility to take it to the Grayling Township center and back. Cost would be approximately \$8,500 for a new recycling container and we would still pay the \$1,500 yearly fee that we currently pay.

6. We have a request from Sue Medler at 911 to name an easement in the southwest corner of the township. Motion by Little and seconded by Hartman to name it SW Line Road or Southwest Line Road. All ayes, motion carried.
